

Lady Eagle Basketball

PRESENTS

HOOPS FOR HOPE

Thirty-three large basketball signs designed by the Lady Eagle Basketball Team have been placed throughout the community! Each team member decorated her sign with encouraging words and an uplifting message of **HOPE!**

We encourage everyone especially families to drive around Georgetown, locate the signs, and snap a picture of each one making sure to not give away the location though. Our **HOPE** is that this activity will foster bonding and some friendly competition and provide **HOPE** and positivity during this time of uncertainty. It will also be fun!

The basketball signs will be in public spaces throughout Georgetown April 25 – May 9. Be safe and practice social-distancing while looking for the signs.

Be sure to share this event and invite your friends to participate!
